

Dear Parent,

As your child deposits each week at The Piggy Bank program, it's very easy for you to view their transactions.

1. Visit mypiggybank.org
2. Click on "Student Login"
3. Enter your child's Student ID number as their username
4. Enter your child's first name (all lowercase) as their password.

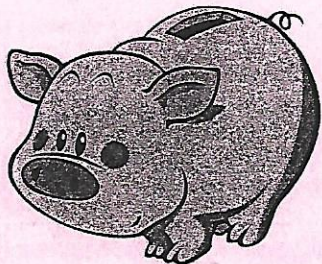

The website gives you a **read-only** view of your child's transactions. There is no information that can be altered through this login.

If you have any further questions, please visit a teller at The Piggy Bank for more information.

Sincerely,
The Piggy Bank Team at Andson
